RE: Rockingham MPO 2017-2020 TIP Administrative Modification Amendments (NHDOT Minor Revisions – November, 2017)

Dear Bill:

We have received the above-referenced requests to amend two (2) projects in the Rockingham MPO FY 2017-2020 Transportation Improvement Program under our Administrative Modifications procedures. The modifications proposed are summarized as follows and are more fully described in the “2017-2020 TIP Revision Report” for November, 2017 which is attached.

November, 2017 request two (2) projects proposed for administrative modification within the region:

Project Number	Location	Project Scope	Proposed Project Changes	Project Cost Change	Approved
29617	NEWTON	Improvements to Rowe's Corner (Maple Ave, Amesbury Rd)	Decrease in funds for PE (Inflationary change). Moving ROW from FY17 to FY19	(\$4,208)	Yes
TSMO	PROGRAM	Statewide Transportation Systems Management and Operations, ITS Technologies, Traveler Info	Increase of funds for OTHER. Removed CON.	\$0	Yes
Net Change				(\$4,208)	

We concur that these projects changes are eligible for amendment through the Administrative Modification process.

Our TIP Amendment procedures (Section 6.5, MPO Prospectus) allow such modifications by action of the Executive Director provided that no exceptions are raised by MPO members. MPO TAC and Policy

members were notified by email of the proposed modifications on November 14th, 2017 and asked to respond with any comment by end of business on November 15th, 2017. As of that date I received no requests from MPO members that the changes be handled as a full amendment.

It was determined through Interagency Consultation (IAC) that the revisions do not impact the air quality conformity determination or change the financial constraint of the STIP. Based on this information the administrative modifications are approved. By copy of this letter I am informing the New Hampshire office of the FHWA, Region 1 of FTA and NHDES – Air Resources Division of this action. Please contact me should you have any questions about our actions.

Sincerely,

Tim Roache
Executive Director
