Note: Years 1962, 1974, and 1998 were compiled with a slightly different methodology than 2005, 2010, and 2015. Aux Transportation, Playing Fields and Utilities are categories only broken out in 2005, 2010, and 2015. Classification of Open Wetlands improved between 1998 and 2005 due to higher quality aerial photos. Many Open Wetlands had previously been classified as Forested. Classification of Playing Fields/Recreation improved in 2015 to ensure that those in proximity to a school were classified as Education.
